

Airstream Owners Fort Schuyler Rally

June 9-12 2011

AirSchuyler - Our 5th Consecutive Year in Da Bronx! Limited to just 39 Airstream RVs!

No other group has ever camped at Fort Schuyler and if you know any Airstream Owner that has attended any one of our our past 4 rallies you know they had a great time! [See Hunt Jones' 2009 Rally Review](#). For out-of-towners this is a great base for a NYC day-trip or two or three. Times Square is but a 30 minute drive, or 1 hour by bus. The Bronx Zoo, Botanical Gardens, Little Italy, and City Island are all very close by.

The SUNY campus itself is both peaceful and serene. Waterfront Campsites with an 1800's Granite Fort backdrop provide a truly park like setting that is like no other. The NYC waterway provides spectacular views of both private and commercial vessels. A local yacht club's Saturday morning races have taken place immediately off our shores most years. Fort Schuyler itself houses a 19,000sq ft Library which has received awards for its design. The Fort also houses a Maritime Museum which features more than 700 ship models and exquisite maritime art, photos, and artifacts. Bike riding, roller blading, walking the campus or just sitting in a chair relaxing have kept many attendees from ever leaving the grounds. *Bring your camera and binoculars!*
